Nigro Development, LLC is building 132,000 square feet of office space at Desert Canyon Business Park, located at the southwest corner of Interstate-215 and Russell Road in Las Vegas. The \$4.8 million project consists of six buildings, ranging from 6,000 to 25,000 square feet in size. The single and two-story-tall wood-framed, stucco structures are scheduled to begin occupancy in the third quarter. Announced tenants for the 15-acre park include Cardiovascular Consultants of Nevada and 11th Floor Development.
